Arthur Bugler Primary School

Newsletter

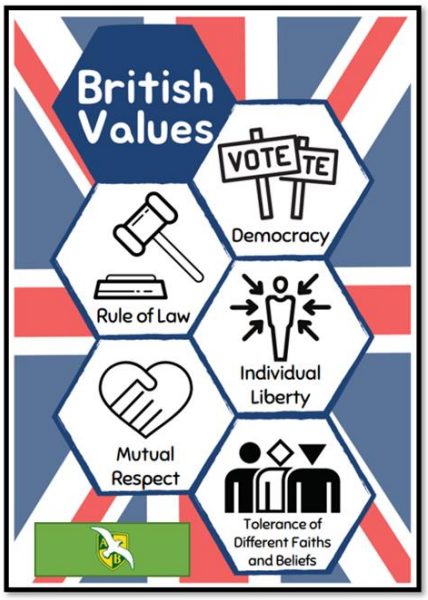
Friday 22nd November 2024

Dear Parents/Carers, students and staff,

The cold weather has finally arrived, but it has not stopped another busy and exciting week here at Arthur Bugler Primary School!

Children In Need: Last Friday, we came together as a school community to celebrate Children in Need. We held a non-uniform day, and I want to thank everyone who was able to support our fundraising efforts. I am delighted to report that, as a community, we raised over £300 for this amazing cause.

Adding to the fun, Mr. Remmer fully embraced the spirit of the day by agreeing to have his hair dyed red! (Although I am still wondering why I wasn't asked to join in…) This was a wonderful and entertaining way to remind us all of the importance of helping others. Thank you once again for your fantastic support—it truly makes a difference!



Assembly - Fundamental British Values (FBV): On Monday, Mr. Remmer (Lower School) and I (Upper School) delivered assemblies focusing on the Government's Fundamental British Values. These values are designed to promote inclusion, respect, and a sense of community within and beyond our school. During the assemblies, the children learned about the following important principles:

- Democracy
- Mutual Respect,
- The Rule of Law
- Individual Liberty
- Tolerance of Different Faiths and Beliefs

These assemblies encouraged the children to think about how they can incorporate these values into their everyday lives, whether at school, at home, or in their communities. We believe that teaching these values is essential in helping our children grow into responsible, respectful, and informed members of society.

Internet Safety - Walk Online Roadshow: On Tuesday, our Year 5 students had the opportunity to attend the annual LSCP Walk Online Roadshow. This exciting event, led by the well-known online safety experts The Two Johns, provided the children with essential knowledge about how to stay safe online.

THURROCK LOCAL SAFEGUARDING CHILDREN PARTNERSHIP

The children found the session to be both informative and engaging, as The Two Johns used interactive activities and relatable examples to bring these lessons to life. Additionally, the children behaved exceptionally well and represented Arthur Bugler Primary with pride, demonstrating their maturity and enthusiasm for learning.

The roadshow not only reinforced our school's commitment to teaching internet safety but also empowered the students to navigate the online world confidently and responsibly. We encourage parents to continue

these conversations at home, as they play a vital role in helping children apply these lessons in their daily lives.

Harvest collection – Thurrock Foodbank: This week, Thurrock Foodbank visited ABP to collect the essential foods generously donated by our community during the harvest collection. These donations will go a long way in helping local families and individuals facing hardship, providing much-needed support during challenging times.

Thank you to everyone who contributed and supported our Charity of the Year initiative. Your kindness and generosity truly make a difference and reflect the incredible spirit of our community. Together, we're helping to fight hunger and bring hope to those who need it most.

Congratulations – Out of school achievements!

A huge round of applause to our students for their remarkable accomplishments outside of school this past week. You continue to make us proud with your dedication, talent, and hard work!

- **Sienna-Rose and Mia-Rose:** These incredibly talented girls performed at the prestigious National Entertainment Awards on Sunday, November 17th, held at the Indigo at the O2 in London. Alongside their dance group, they captivated an audience of over 1,000 people with a fantastic tap routine.

- **Caitlyn:** Congratulations to Caitlyn for being awarded Brownie of the Year at her unit's recent AGM. In addition, she represented her unit with pride and respect as the standard bearer during the Remembrance Sunday service.

We are so proud of all of you for your outstanding achievements and for being such wonderful role models. Keep reaching for the stars! 🌟

Well done to all our achievers this week! Keep shining and inspiring us with your hard work and accomplishments! If you would like your child's accomplishments outside of school celebrated in our newsletter, please email us at admin.abp@osborne.coop, and we'll do our best to include them in future editions. Keep reaching for the stars! ☆

Safeguarding - Parking on School site (Morning and Pick up): I would like to kindly remind everyone that the school car park is strictly reserved for individuals with prior agreement or those displaying a blue disabled badge. This is in place to help ensure the safety of our children, families, and staff. By following these guidelines, we can all contribute to maintaining a safe environment for everyone on our school site. Thank you for your understanding and cooperation.

Mr R Turner
Headteacher

MOMENTS MATTER, ATTENDANCE COUNTS.
