Arthur Bugler Primary School

Dear parents and carers,

Well what a busy week it has been with sports and fitness week! I would like to say a massive thank you to Mr Heard who has organised the week and all the activities the children have enjoyed including sports day! Also a big thank you to you who came up on sports day to watch the children in this event. It is always a highlight of the year and although it was a hot day, it was a great success. Well done to blue team who won overall. More information on this great day can be found below.

As it looks like the hot weather is set to stay for the next week or so, please can we ask your children continue to wear appropriate clothing, including a hat, wear sun cream and bring in their water bottle daily. Sandals can be worn, but they must be secured at the ankle, therefore crocs are not allowed as these only have sling back straps.

As well as sports day on Wednesday we also celebrated 'Thank a Teacher day' on the 18th June where we visited all the classes to say a big thank you to our wonderful teachers and all that they do. Here is a picture of some of them!

Have a nice weekend,

Miss Glandfield

Weekly Attendance winners

A huge congratulations to this week's top attending classes!

EYFS/Key Stage 1: Class 1 100%

Key Stage 2: Class 11 98 %

Our Horizon base has also archived 100% this week

Regular attendance is crucial for a strong education, helping children stay on track with their learning and progress. Every school day counts! However, if your child is unwell or unable to attend, please remember that it is your responsibility to inform the school as early as possible. Thank you for your continued support in making attendance a priority!

Borough Olympics 2025

On Friday 13th June, the annual Thurrock Borough Olympics event took place at Blackshots Athletics Stadium. As group 2 winners last year, we were promoted into group 3 where the competition was much more intense! 48 children from Years 3-6 took part in a variety of running, jumping and throwing events and all performed brilliantly.

On such a hot day, they deserve huge credit for their efforts.

Out of the eight schools competing in the event, we finished 3rd in the field events, 5th on the track and 4th overall. We managed to win 14 medals in total and the recipients are listed below.

A big thank you to all of the children, just being selected is a huge achievement and I look forward to next year where we hope to do even better.

Thank you to the parent volunteers and Mrs Coates for making the day such a success.

Cricket News

The boys B team were in league action again this week travelling to Aveley where they completed the most remarkable victory against a very strong side. Aveley scored 261 runs (starting on 200), setting us a very high total for victory. With some lean middle overs we required 30 to win from the last two overs. A superb partnership of 32 between Jaxson and

Kian (including 4 sixes from Jaxson) was enough to get us over the line; winning by only 2 runs.

The boys showed great spirit to earn their first win, with 3 run outs and a first wicket for Thomas to boot.

Player of the match went to Jaxson.

Sports Day 2025

Wednesday 18th June saw the school's annual Sports Day. Despite the hot weather it was a great success and I'd like to thank all of the children for their efforts and all of our families for their fantastic support!

The children competed in their colour teams from Early Years up to Year 6 in a variety of running, jumping, throwing and multi-sport events.

Congratulations to this year's winners: the blue team!

Results:

1st: Blue - 285 points

2nd: Yellow - 266 points

3rd: Green - 256 points

4th: Red - 240 points

6 - Congratulations to the Blue Team!

Congratulations - out of school achievements

7 - liza-Ezmae took part in yet another fundraiser. A pretty muddy race for life was a 5K run, which she successfully completed in an amazing 40 minute and 38 seconds. Diving through muddy obstacles and running along a route paved with a supportive crowd. Eliza-Ezmae smiled her way, though. So far raising an amazing £155 for cancer research. The whole family are so proud of her achievement.

8 - Eleanor Barker and Lily Guess from class 8 successfully completed the Muddy runner race for life on Saturday !! The girls pushed through the 5k course and raised and amazing £700 !!!

9 - Bert, Erny & Sid took part in the 5k mud run on Saturday and raised over £600 for cancer research.

Ava Carter has successfully gained a place at the Royal Ballet Schools online training program and has been put on the short waitlist for a place at the prestigious school in Covent Garden. The short wait list means she's amongst the top of the list for a place, this is an incredible achievement for an 8 year old as this is the youngest age they take and she was up against over 1000 children many of whom 9 or 10 years old.
