Arthur Bugler Primary School

Dear parents/carers,

It has been a very exciting week in school. Yesterday we celebrated World book day, there were amazing costumes and pjs. The children had a great day with lots of book themed activities, I am sure they have told you all about it! Thank you for all of the photos sent in of children reading. The children have carried on the celebrations today with some amazing masks being made of book characters.

Next week will also be a busy week as it is National Science week, read below for more details.

Yesterday you would have received some more information about our new catering providers - Stir Food. There were also 2 forms that need to be completed and sent back to Stir directly via email info@stirfood.co.uk[1] by Thursday 12th March 2026.

Don't forget we have parents evenings coming up on 10th and 11th March. Make sure you have booked your appointment via the My Child At School App. If you are having any problems then please contact the office.

Have a great weekend,

Mrs Matthews

TCS Mini London Marathon Results Revealed!

After days of anticipation, we finally revealed the 20 lucky children who have been allocated a space in this year's TCS Mini London Marathon. Seeing the joy on their faces was an epic moment for everyone involved. Afterall, it's not every day you get the chance to tackle the iconic route around London!

The hard work starts now! These lucky children are now moving straight into the training phase of the project. This isn't just about running; it's about teamwork. Over the coming weeks, the group will be working together, supporting one another through every step, and building the confidence to tackle this incredible adventure together, as one united team.

We also want to say a massive thank you to the 150 children who entered the ballot. The competition was incredibly fierce, and the level of interest was truly inspiring. To those who didn't get a spot this time, don't hang up your trainers! Your enthusiasm is what makes our school community so awesome, and we are so proud of your courage to put yourselves forward.

Keep an eye on the newsletter for training updates and fundraising plans as our epic team prepares for the big day!

Year 3 Victorious in Latest TTRockstars Battle!

The latest TTRockstars battle was nothing short of legendary, featuring a high-stakes showdown between Year 3 and Year 6s. In a result that took everyone by surprise, as the Year 3 team managed to edge out a victory in what was easily the toughest, most competitive battle of the year.

While the team battle was intense, the individual performances were truly world-class. A massive well done to the top 5 children in the league overall! These elite players from across the two year groups showcased lightning-fast answers to claim the highest spots on the leader board.

Every player should be incredibly proud of the energy brought to this competition! Well done to all!
