Arthur Bugler Primary School

Another busy week at ABP.

It was wonderful to see so many of you at parents evening this week. I know the children were so proud of the work that they have been doing. We will be rescheduling the two that didn't take place.

Science week has seen live lessons and assemblies with experiments taking place all over the school. Thanks to to Mrs Seshie for organising such an exciting week.

The Year 6s have been working extremely hard on their mock SATS- they should be really proud of the progress that they are making.

Our new catering company STIR have been in this week - in preparation for their start. New menus will be coming out next week.

Wishing a beautiful Mother's Day to all women who nurture, guide, support, and inspire—whether you are a mum, a mother figure, a caregiver, a mentor, or someone who brings kindness and strength into the lives of others.

Your love, resilience, and compassion make the world brighter every day.

Thank you for all that you do. 💐💖

Have a nice weekend,

Mrs Matthews

Mini Marathon GoFundMe is LIVE!

The training is officially underway, and so is our fundraising! We are thrilled to announce that our **GoFundMe page is now LIVE.**

Our Mini Marathoners are putting in all the energy to prepare for the big day, and they deserve a cheering squad that reaches far and wide. We're calling on our incredible community (and beyond!) to support these little legends.

How you can help:

- **Donate:** Every penny helps to fuel their journey towards supporting every child in school.
- **Share:** Send the link to friends, family, colleagues, and even that neighbour you haven't spoken to in a while!
- **Inspire:** Let them know the community is behind them.

Let's show everyone what magic happens when a community rallies together 🤼

British Sign Language week

The week commencing 16th March 2026 is National Sign Language Week. This is a week where we celebrate Sign Language being acknowledged as a language, in its own right, by the UK Government on 18th March 2003.

This year, we will be participating in several activities to encourage more of us to learn British Sign Language, an essential skill to bring inclusion across our community and raise awareness of deaf culture. This year's theme for Sign Language Week is 'United in Sign'.

During the week, our children will have the opportunity to participate in a country-wide BSL lesson, different activities around Deaf awareness, fingerspelling and designing their very own Sign Language Week logo.

As well as this, the BSL activities can continue at home! We encourage all our children to enter our competition where they can create a BSL flag. The Deaf flag is pictured below but we want you to create your own. You can use any colours and any shapes you would like. One winner will be chosen from each year group and every entry will receive an SLT award.

Please can all entries be handed to Mrs Peck by Wednesday 25th March.

Thank you for your ongoing support,

Mrs Peck and Mrs Armitt

Weekly reading winners (Golden Tickets)

This weeks winners are:

EYFS/Key Stage 1: Class 5

Key Stage 2: Class 10

Reading is a vital skill, and we take pride in celebrating our readers every Friday during our weekly celebration assembly. Please support us by encouraging your child to read regularly at home and by signing their reading record. Each completed read brings them closer to earning golden tickets—let's work together to inspire a love for reading!

Weekly Attendance winners

A huge congratulations to this week's top attending classes!

However, if your child is unwell or unable to attend, please remember that it is your responsibility to inform the school as early as possible. Thank you for your continued support in making attendance a priority!
